# Form I-9 & E-Verify: What's New & What's Important

Form I-9, Employer Eligibility Verification, is a document used by employers to verify the identity and employment authorization of their employees. The form is divided into three main sections: Section 1 (Employee Information and Attestation), Section 2 (Employer Attestation), and Section 3 (List of Acceptable Documents). The form is used to ensure that all employees are legally authorized to work in the United States.
