

Process Payroll accurately and relax knowing you are doing it right!

The Alaska Statewide Payroll Conference is the leader in payroll education for payroll professionals in Alaska. This year's event is packed with topics to provide payroll professionals with valuable information to be compliant and informed regarding matters critical to any payroll department. This year there are larger more focused classes based on topics our members requested and want to be more knowledgeable about:

*Wage and Hour Topics
The Affordable Care Act
Government Relations
Tax Compliance
Government Relations
Legal Issues for Payroll
Emphasis on Leadership!*

2015 Alaska Statewide

Each year the Alaska Payroll Professional Of The Year award is presented at the Annual Alaska Statewide Payroll Conference in recognition of outstanding service to the payroll community.

The Alaska Payroll Professional Of The Year is selected from peer nominations of past recipients. This recognition is special because it recognizes a payroll professional who stands out for their accomplishments, contributions, and outstanding leadership abilities within our community.

All nominees for Board of Director positions will be campaigning for your vote at this year's conference!

Education & Networking

NLAC's Annual Conference offers a wide variety of educational workshops, the state's largest Payroll Expo, with exhibitors, and networking, education and motivational opportunities among 150 attendees.

One attendee wrote: If you only attend one Payroll seminar this year, THIS is the one you need!

Industry Experts: Each year we offer an exciting line-up of guest speakers, each of which are on the forefront of technology, compliance and changes effecting your payroll department. Join us and learn from representatives from the Internal Revenue Service, Alaska Department Of Labor and Workforce Development, the American Payroll Association, Social Security Administration and our own volunteer educators!
