The May membership promo includes a reduced fee of \$165 plus a tote bag; there is also a promotion for students transitioning to professional members. SHAPE State awards to be announced this month. Karen also wanted everyone to know that if anyone had submitted changes to their bylaws, to go ahead and operate according to those changes as the approval process is taking too long. The PacWest Regional Student Conference was held recently, where they had 10 teams and 85 attendees and 30 volunteers. The winner was the University of NV in Reno.
